

Chagrin Valley Fire Department

21 West Washington Street Chagrin Falls, Ohio 44022

440.247.8281

Dear Friend and Neighbor of the Chagrin Valley Fire Department,

I am writing to appeal for your needed support of a very important project concerning your Fire Department. If you live in Bentleyville, Chagrin Falls Village, Chagrin Falls Township, Hunting Valley, Moreland Hills, or South Russell, the Chagrin Valley Fire Department has been providing lifesaving care to you and your neighbors.

Did you know that a fire doubles in size every thirty seconds; or that a person can only survive between six and eight minutes without oxygen? When a stroke or heart attack strikes, seconds matter. These are stark facts that we hope you and your loved ones never have to witness, but statistics show that we are all likely to at some point. If that day comes, we want to make sure that the critical lifesaving intervention that our department provides, gets to you as soon as possible.

The Chagrin Falls Firefighters Charitable Foundation has been raising money to help the Chagrin Valley Fire Department modernize our fire station, and improve our safety response. These station improvements include:

- More efficient access to the apparatus bays to improve our response times
- Facilities for our growing number of female firefighters
- Dormitory space for our station which was originally built for a volunteer force

They say it takes a village... well this project will need the support of our entire valley. Please consider making a 100% tax deductible donation towards this important endeavor. Your donation plays a critical role in helping to make our community safer to each and every one of us. The members of the Chagrin Valley Fire Department would like to thank you for your continued support.

Sincerely,

President Brian Foster
