

BARN RAIS•ING

*: a gathering at which
people in a community cooperatively erect
the framework of a neighbor's barn,
followed by a celebration*

“This update
will shave about 30 seconds
off our response time.
And when there’s a fire,
a few seconds can change
everything.”

-Chief Frank Zupan

FIRST EVER, COMMUNITY-WIDE BARN•RAISING [Chagrin Valley Style]

*: area communities come together in
White North Stables to raise funds to help modernize our fire station
that we all collectively share.
(followed by one hell of a celebration!)*

To benefit the Chagrin Valley Fire Department

TWENTY TWO

WHITE NORTH STABLES

For more information visit chagrinvalleyfire.org

Did you know that a fire doubles in size every thirty seconds; or that a person can only survive between six and eight minutes without oxygen? When a stroke or heart attack strikes, seconds matter.

Lifesaving seconds are vital when that call comes in. And we're there, unconditionally no matter the need, each and every time. Now, we're the ones in need.

If you live in **Bentleyville, Chagrin Falls, Chagrin Falls Township, Hunting Valley, Moreland Hills, or South Russell**, the Chagrin Valley Fire Department has been providing lifesaving care to keep you, your neighbors and area businesses safe.

As a 501(c)4 nonprofit led by Fire Chief Frank Zupan, the Chagrin Valley Fire Department (CVFD) needs your support to raise funds to expand and improve the current fire station.

It's been nearly 20 years since we've renovated our firehouse. If we built our structure today as it currently stands, we'd be out of compliance.

Help us raise money for these mission-critical modernizations:

Improve Response Time - More efficient access to the apparatus bays to improve our response times.

Build facilities - Designated showers and locker rooms for our female firefighters.

Expand space - Dormitory space for our station which was originally built for a volunteer force.

They say it takes a village.

The Chagrin Falls Firefighters Charitable Foundation has been raising money to help the Chagrin Valley Fire Department modernize our fire station, and improve our safety response. This project will need the support of our entire valley.

Donate or purchase tickets to help make a difference.
